UNITED STATES DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA

ALICE LEE, et al.,  
Plaintiffs,  
v

Case No. 2:15-cv-02495-ODW-PLA  
[consolidated with 2:15-cv-03464-  
ODW PLA]

GLOBAL TEL\*LINK  
CORPORATION,  
Defendants.

**DECLARATION OF IRENE  
BECK IN SUPPORT OF  
PETITION FOR AN ORDER  
APPROVING DISTRIBUTION OF  
CY PRES FUNDS; EXHIBITS 1-3**

I, IRENE BECK, declare as follows:

1. My son has been incarcerated in the Ventura County Jail and then at California Department of Corrections and Rehabilitation since 2015. The locations where he was imprisoned used Global Tel Link ("GTL") as a telephone service provider.

2. I received numerous robocalls from Global Tel Link on my cell phone in 2015, 2016 and the first three months of 2017 regarding billing issues. I did not consent to receiving these calls before I received them.

1           3. The cell phone number for the phone on which I received the calls from  
2 2015 to present is (850) 637-7623.

3  
4           4. In April of this year, I received a notice of this class action lawsuit and  
5 filled out a form and returned it. My recollection is that I received the notice via  
6 my email address at beckirene828@gmail.com but it is possible that I received it in  
7 the mail. I recall mailing in the form in April but I did not keep a copy of it. In  
8 June, I also printed out a claim form and submitted it via U.S. mail to insure that  
9 my claim was received. I did not have a copy of the postcard with the claim ID  
10 number on it when I printed out and mailed the claim form again.

11  
12           5. I have since been informed that my claim was found deficient because it  
13 did not include the original valid Claim ID 10105506701.

14  
15           6. After submitting my claim(s) both online and via U.S. mail, I never  
16 received a Notice of Deficient Claim Form. My current address is 26781  
17 Tropicana Dr., Menifee, CA 92584 and I included this address on the claim form  
18 that I submitted via U.S. mail.

19  
20           7. I did in fact receive calls on my cell phone number listed above and I was  
21 notified that I was eligible to make a claim and I did.

22  
23           8. Attached as Exhibit 1 is a true and correct copy of my billing records from  
24 GTL for my cellphone dating back to February 2018. The data on the website does

1 not go back farther than that. I have been a customer of GTL on this same phone  
2 since 2015 and their older billing records will surely reflect this fact.  
3

4 9. Attached as Exhibit 2 is a true and correct copy of my bank records  
5 reflecting charges from GTL from 2015 until April 2017. I have used the same  
6 bank and the same phone since 2015 and the billing records from GTL are for my  
7 cellphone number which is listed at the top of GTL's bill in Exhibit 1.  
8

9 10. Attached as Exhibit 3 is a copy of a Notice of Deficient Claim Form in  
10 which I have included the relevant information which was apparently already in  
11 the possession of the GTL TCPA Litigation Settlement Administrator.  
12

13 11. I will make every effort to attend the fairness hearing. If I am unable to  
14 personally attend because of work-related obligations, I will be available on my  
15 cellphone at the number listed above if anyone has any further questions for me.  
16

17 I declare under penalty of perjury under the laws of the United States and the  
18 State of California that the foregoing is true and correct, and that this declaration is  
19 executed at Menifee, California, this 17th day of August, 2018.
